

It's the fourth quarter and WE NEED YOUR HELP!

Please take a few minutes to read and respond by October 15th, 2011.

Buccaneer Football and Friends Foundation is the ONLY organization dedicated to the restoration of football and the marching band at ETSU. We are the last hope. Your help will keep this dream alive. Timing is very important due to Dr. Stanton's retirement in January, 2012, which will usher in a new administration. We have met with Governor Haslam and several northeast Tennessee legislators. We have attended selection committee meetings, as well as maintained contact with key members of the Tennessee Board of Regents. In the near future, we plan to meet with the Chancellor of the Tennessee Board of Regents and present our business plan that proves the financial advantages of these programs for the university. We will keep our supporters informed through our website, www.bucfootball.com, and newsletters. **To win this fight, we need a commitment from YOU to become a supporter in the Buccaneer Football and Friends Foundation to prove to the new administration there is strong support for bringing back our football and marching band.** Your contribution is qualified tax deduction under Internal Revenue Code Section 501(c)3, and will be used solely for activities associated with restoring these programs, and will not be given to the university for any purpose. Send this form and your contribution to the following address:
