

## **Buc Football and Friends Foundation Minutes of March 7, 2006 Meeting**

The meeting was opened with prayer by Jerry Robertson.

Attendance: 19 Board Members & 1 Guest

\*Fred Walton moved and Taft Hill seconded that the last meetings minutes be approved. Passed.

\*Tony Treadway with Creative Energy Group spoke to the Board about public relations and how Buc Football Foundation might present itself to the public. Tony talked about how important and how special football is. He discussed the proud tradition of Buc football and specifically what a great coach and person Coach Mike Ayers was at ETSU (he is now at Wofford). A good back-and-forth discussion was held with Tony and there may be the possibility for us to work together in the future.

Fred Walton moved and Robin Lynch seconded that we ask Creative Energy Group to give us a proposal for handling our public relations. Passed.

\*Tommy Roberts wants to write a book about Buc Football. Our foundation would have to obligate that we would take 400 copies. The cost would be \$4,000. We could then sell these 400 books for a \$4,000 profit. This would be a very positive thing for ETSU football. C.M. Boggs moved and Fred Walton seconded that we spend \$4,000 to fund the book. Passed.

\*June '06 Convention - Fred Walton informed the Board that we will not have an auction this year. The brochure will be ready in time to be mailed out.

\*Membership Committee - Jerry Robertson reported for Greg Stubbs that his committee is hard at work.

\*Bank Committee - Jerry Robertson reported that we will meet the week of March 13 with a representative of our bank.

\*Caucus in Nashville - Jerry Robertson is still working on this. He would like for us to take a group on a bus to this meeting in Nashville.

\*Next Meetings - The Executive Committee will meet March 28 at 6:30 p.m. at Iris Glen. The Board will meet April 4 at 6:30 p.m. at the Dobyys-Bennett Field House Alumni Hall in Kingsport.

\*The meeting was adjourned.
