

Buc Football and Friends Foundation Minutes of July 26, 2005 Meeting

Attendance: 29

The meeting was held at Iris Glen at 6:00.

The meeting was called to order by President Jerry Robertson who opened with prayer.

Fred Walton moved and Terry Frye seconded that the minutes of the last meeting be approved with one correction. Bill Lee, instead of Bill Smith, was elected as treasurer. The motion passed.

Jerry Robertson gave a report on the Austin Peay alumni meeting which he attended. Their president, Dr. Hopi, was there with their chief fund raiser. Dr. Hopi have her reasons for having football. She will use student fees, gate receipts, donations, and play one "big" game per year. They have re-modeled all of their athletic facilities. Austin Peay had one possible major donor. This donor can forward and provided funds which would provide enough interest to make it possible for the football program to receive one million dollars per year for ten years.

Jerry Robertson offered to speak to any group (civic clubs, business clubs, etc.)

Jerry Robertson reported that Carson Newman is renovating their stadium.

Jerry Robertson reported on some land that is available for a stadium. It is a natural bowl located on 80 acres. The location of the property would work well into Dr. Paul Stanton's "Regional University of Choice." The stadium could be used for soccer, track, high school football, and entertainment events. Terry Frye offered
